FROM : Alfred W. Stites  
RE : Nazca Tumps and Allied Material  
DATE : July 2, 2002

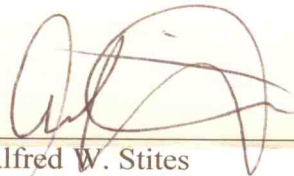

Dear Ted Bailey:

The collection of NAZCA TUMPS (SLINGS) that you purchased this date has been in the Foliophiles, Inc. collection since approximately 1965. I am the sole shareholder in The Foliophiles, Inc., thus these tumps have been in my personal hands since that time.

I purchased the collection of approximately 90 pieces at auction from Parke Bernet, New York. As you know, Sotheby's purchased that auction house a few years later. At that time I took the collection to The Textile Museum, Washington, D.C. for authentication. I gave them two (2) tumps of their choice from that lot as a gift for their authenticating the collection.

I have had these tumps in my possession since approximately 1965, and have sold approximately thirty (30) pieces over the years. For virtually all of that time each of these tumps has been wrapped in tissue and stored a box.

Signed:
